

Pittsfield Middle High School
23 Oneida Street
Pittsfield, NH 03263

Pittsfield Middle High School has had an inspection for asbestos-containing building material (ACBM) in accordance with 40 CFR Part 763. ACBM is present in the Pittsfield Middle High School. An Inspection Report and Management Plan has been prepared for the building and is available for review at the Pittsfield School District and all of the ACBM is being managed safely in accordance with state and federal standards.

Please contact the School's Asbestos Program Manager, Jim Dawson, at 603-435-6701 ext. 1106 if you have any questions or need assistance.
